LOGLINE: Think 8 Mile meets The King's Speech; A Hip Hop fairy tale about the profound effect rap music and a rebellious poetry teacher has a student with a fierce beat and a cruel stutter.

An inspirational salute to Hip Hop, **"SPITTING FIRE"** is a heartwarming story about the extraordinary bond that music creates. It blends the influential rhythm of rap and the unforgettable journey of an "underdog;" A 16-year-old named Asher with a stutter and a rap dream—who discovers his voice was never broken...

It was just waiting for the right beat.

"SPITTING FIRE" is a cinematic game changer about the power of resilience and a soul fueled by Hip Hop.
